

Youth Art Festival July 4 to 16, 2011

The Antigonish Highland Society celebrates its 150th Anniversary in 2011.

In honour of this historic achievement we invite you to consider the following themes for the 14th Gathering of the Arts exhibition:

- Family tree or totem
- Where is home?
- Heritage
- Treasures of the Past
- Generation to Generation
- Your family's traditions or customs

Individuals between the ages of 8 and 18 are invited to submit up to 2 pieces of work, in any medium, to be displayed during the annual Gathering of the Arts exhibition

Work will be exhibited during the Gathering of the Arts at the new People's Place Library in Antigonish. This is a great chance for local students interested in art to gain exposure and experience by exhibiting at a well attended art exhibit. Bring your friends and family to the gala opening on Monday July 4th and enjoy refreshments and entertainment and the opportunity to meet other artists in the community.

Gathering of the Arts is a project of Antigonish Culture Alive.

We look forward to seeing the works of our future artists!! See you there!!
